CHAPARRAL

H2O
SKI & FISH **SPORT**

Making Life A Moving Experience

H2O is a game-changer in boat design. The goal was to bring Chaparral performance, value and style to boaters at No Hagggle, Real Deal prices that can't be beat. Styling from the SSi Series crafts an award-winning look. Extended V-Plane performance combined with reliable MerCruiser power speeds you to unmatched performance. Chaparral quality does the competition one better. But perhaps the best part of the H2O Series is the Chaparral name on the hullside. H2O owners can bank on the financial stability, consistent management and experience of a company that is fast-approaching its 50th Anniversary. An unprecedented 43 Awards for Product Excellence including 12 Boat of the Year trophies and six consecutive NMMA Customer Satisfaction awards verify that from 18- to 42-feet there simply isn't a better boat builder in the world.

18 SKI & FISH

19 SKI & FISH

21 SKI & FISH

The H2O experience is designed to be fun every step of the way, including the buying process. Select an H2O and say goodbye to back-and-forth dealer negotiation. The price is the price. No headaches. It's that simple. The trailer is included. Typical extras include options, prep, dealer fees, freight and taxes. We call it No Hagggle, Real Deal Pricing. You'll call it the best thing that ever happened to boat buying.

Rev Up Your Family Fun

With an H2O the possibilities for family fun are endless. Hooks in the water at the crack of dawn. The thrill of reeling in your first fish. Soaking in the mid-day sun. Grabbing some major wakeboard air. Camping fireside on a remote beach. Tubing with arms outstretched in a refreshing spray that beats the excitement of any amusement park thrill ride. Exploring new uncharted coves and unique waterways. Add it all up and you've got family life H2O style. It doesn't get any better than this.

18 SPORT

Your family life just took a major turn for the better. The 18 Sport is a steal-of-a-deal. Extended V-Plane performance delivers instant wakeboard pulling power and efficient midrange. Reassuring freeboard provides peace of mind up front where the kids like to ride. An integrated swim platform, circuit breakers on the dash and stainless steel cleats are designed to weather the tough marine environment and are upgrades rivals don't offer at this length.

LOA W/PLATFORM 18'4" (5.59M) • BEAM 7' 6" (2.29M) • FUEL 25 GAL (95L) • WEIGHT 2,300 LBS (1,043KG)

18 SKI & FISH

Camp. Snorkel. Dive. Wakeboard. Ski. Fish. Tube. With an 18 Ski & Fish you can do it all in the same boat on the same weekend. Flexible seating converts the 18 SF from a sport boat to a serious fishing machine in minutes. Anglers will appreciate the standard trolling motor, live bait well, dual elevated casting platform seats and gunwale rod storage. A Garmin Fish Finder is a must-have option. Attention to detail is first-rate. Wakeboarders will love the low-speed stability, high flying wakes and infloor storage.

LOA W/PLATFORM 18'4" (5.59M) • BEAM 7' 6" (2.29M) • FUEL 25 GAL (95L) • WEIGHT 2,420 LBS (1,098KG)
MAX. HP 135 HP (101KW) • DEADRISE 18 DEGREES

19 SPORT

Exceptional value joins quality and style in the widely popular 19 Sport. Stainless steel hardware, non-skid flooring, a battery on-off switch and supportive seats go one-up on rivals. Storage is everywhere...under the seats, in the helm, in a wakeboard-sized floor locker and there's a cooler under the back seat. A high quality sound system is enhanced with both USB and MP3 jacks. Key options include snap-in carpet, a transom logo mat and a Velocity Package that will delight wakeboarders.

LOA W/PLATFORM 19'4" (5.89M) • BEAM 7' 6" (2.29M) • FUEL 30 GAL (114L) • WEIGHT 2,540 LBS (1,152KG)
MAX. HP 220 HP (164KW) • DEADRISE 18 DEGREES

19 SKI & FISH

Name your watersports pleasure and H2O delivers. Valued for its versatility and innovation, the 19 Ski & Fish is both a first-rate fishing machine and a power-packed family runabout. Adjustable bucket seats, thoughtful dash ergonomics and loads of storage space create a comfort level unprecedented in the under 20-feet arena. A Limited Lifetime Hull Warranty inspires confidence. Expert workmanship, time-tested construction and detail-minded rigging helps deliver trouble free fun.

21 SPORT

All new for 2014, the 21 Sport brings together everything that makes an H2O special and more. More performance. More legroom. More storage space. More family fun. Step up to our H2O flagship and enjoy wraparound bow seat back cushions, padded armrests, an upgraded stereo unit and a secure glove box. Additionally, the 21 Sport comes standard equipped with bow anchor storage, custom gunwale padding and storage compartments in the walk-thru areas.

LOA W/PLATFORM 21' (6.40M) • BEAM 8' 4" (2.54M) • FUEL 40 GAL (159L) • WEIGHT 3,100 LBS (1,406KG)
MAX. HP 260 HP (224KW) • DEADRISE 20 DEGREES

21 SKI & FISH

Just introduced, our new 21 Ski & Fish is fast becoming the talk of the waterways. Standard upgrades include a bigger 24-volt trolling motor and a bi-fold sun lounge for easy storage. Up front, a hinged extension under the forward cushion folds to fill-in the walkway, creating a huge casting platform. Well equipped standard, buyers can also pick from a power-packed options list that includes extras like a bow walk-thru door, snap-in carpet, Ultra-Comfort bucket seats and our new powder-coated Velocity tower (shown above).

A Look Inside The Best Value In Boating

SUN LOUNGE

Consider the full-width aft lounge your personal tanning salon.

INSULATED ICE CHEST AND DRINK HOLDERS

Cold drinks stay cold and are easily accessible to everyone onboard. The huge under-seat ice chest is insulated and drains so melted ice is never a problem.

ERGONOMIC SEATING

Swivel bucket seats are mounted on raised platforms for added stability. Lumbar support is a plus on long distance adventures.

PORT CONSOLE

The port console features a glove box, a safety grab handle and a stereo complete with both MP3 and USB ports. No need to use bumper molding to cover-up an unsightly fiberglass finish.

BOW STORAGE

Carry-ons stow out of the way under both bow cushions.

FOUR BOLT CLEATS

Secure. Strong. All H2O's have six strategically positioned cleats instead of four found on many rivals.

WIDE BOW WALKWAY

No problem getting in and out of an H2O. Diamond non-skid adds a sure-footed feel.

FLAT COCKPIT FLOOR

Easy, unobstructed movement bow to stern.

ENGINE COMPARTMENT

Access to minor services is a breeze. Dual gas shocks provide excellent hatch-up support. Acoustical insulation keeps the decibels down.

INTEGRATED SWIM PLATFORM

The integrated swim platform is mounted close to the water for convenient access and superior styling.

TELESCOPIC BOARDING LADDER

The three step ladder with top-rung grab handle is mounted on starboard side for safety-minded driver visibility of anyone in the water. Ladder stows inside it's own compartment, not atop the platform.

HINGED WALK-THRU

No need to leave a soggy foot-print on the upholstery while getting in and out of an H2O.

IN-FLOOR STORAGE

Hinged for one-handed access. Wide enough to stow wakeboards. Rubber floor mat adds protection.

FIBERGLASS HELM

Stronger than plastic, built to last and glare free. Glass lens gauges resist scratching. The full-height windshield features stainless steel stanchions and a safety strap.

CONSOLE STORAGE

Large carry-ons stow neatly out of the way in large port and starboard helm consoles that are standard or optional depending on the model.

SECURITY GRAB HANDLES

Grab handles are mounted in the bow, on the port console and within reach of passengers on the back seats. Stainless steel on 19s and 21s.

One Ride And You're Hooked

Ski & Fish

MOTORGUIDE TROLLING MOTOR

MotorGuide is the premier name in trolling motors. H2O buyers will enjoy optimum low-speed control. A wireless footpad is standard. The unit mounts in a secure bracket.

GUNWALE ROD STORAGE

When not in use, fishing rods stow neatly out of the way in a horizontal gunwale rod storage area. Note the molded Chaparral logo accent.

INSULATED LIVEWELL

The huge 70-quart aft cooler converts to a handy livewell that's almost double the size of rivals.

CONVERTIBLE BOW SEATING

The aft jump seats do double duty as swivel pedestal-mounted casting chairs. Remove the forward bow cushions and enjoy sure footed non-skid flooring with convenient storage.

OPTIONAL GARMIN FISH FINDER

Scan the depths with Garmin electronics. The high-tech unit provides an encyclopedia of information and is easy to read.

CONVERTIBLE AFT SEATING

The bench jump seat can be repositioned to create a spacious aft casting platform. Dual purpose jump seats don't rob valuable storage space like rivals that offer separate fishing seats.

Partners In Performance

Chaparral & MerCruiser

You won't find two more powerful and experienced names in the boating world than Chaparral and Mercury Marine. Exclusively powered by MerCruiser sterndrive punch, your H2O will deliver strong low-end pulling power, efficient midrange and exciting top-end. MerCruiser's time-tested motors are reliable, trouble free and easy to service. MerCruiser also offers cutting-edge sequential multiport fuel injection (MPI) systems, which deliver the exact amount of fuel needed for all operating conditions. On the transom, the Alpha® One drive is one of the world's most time-tested and efficient drives. Chaparral and Mercury...take to the water with complete confidence.

We Thought Of Everything ...Including The Trailer

- Premium Tires and Rims
- Single Axle
- Folding Tongue Jack
- LED Lights - Submersible
- Black Powder Coated Trailer
- Swing-Away Tongue

Buyer beware. Some rivals DO NOT include the trailer in their nationally advertised prices. Not Chaparral. Chaparral's value-minded No Haggle, Real Deal H2O pricing includes a trailer that's not just any old hitch-it-up. The standard single axle trailer (tandem axle on the 21s) is black powder-coated for style and durability and features high quality wheels and rims. A swing away tongue with a folding jack allows convenient garage storage. LED submersible lights forestall electrical problems. Brakes are standard on all models except the 18's. Live in a coastal region? An aluminum trailer is available as optional equipment.
