BAVARIA
MOTORBOATS

HIGH QUALITY

BAVARIA Yachts has one of the highest quality and safety standards in the entire yacht construction industry, together with state of the art style and design. One reason for this is our close collaboration with the leading construction and design companies in the world. Together, we develop high-performance models which easily surpass all CE requirements. Additionally, our yachts, as well as our production facility, are regularly inspected and certified by Germanischer Lloyd.

HIGH CLASS

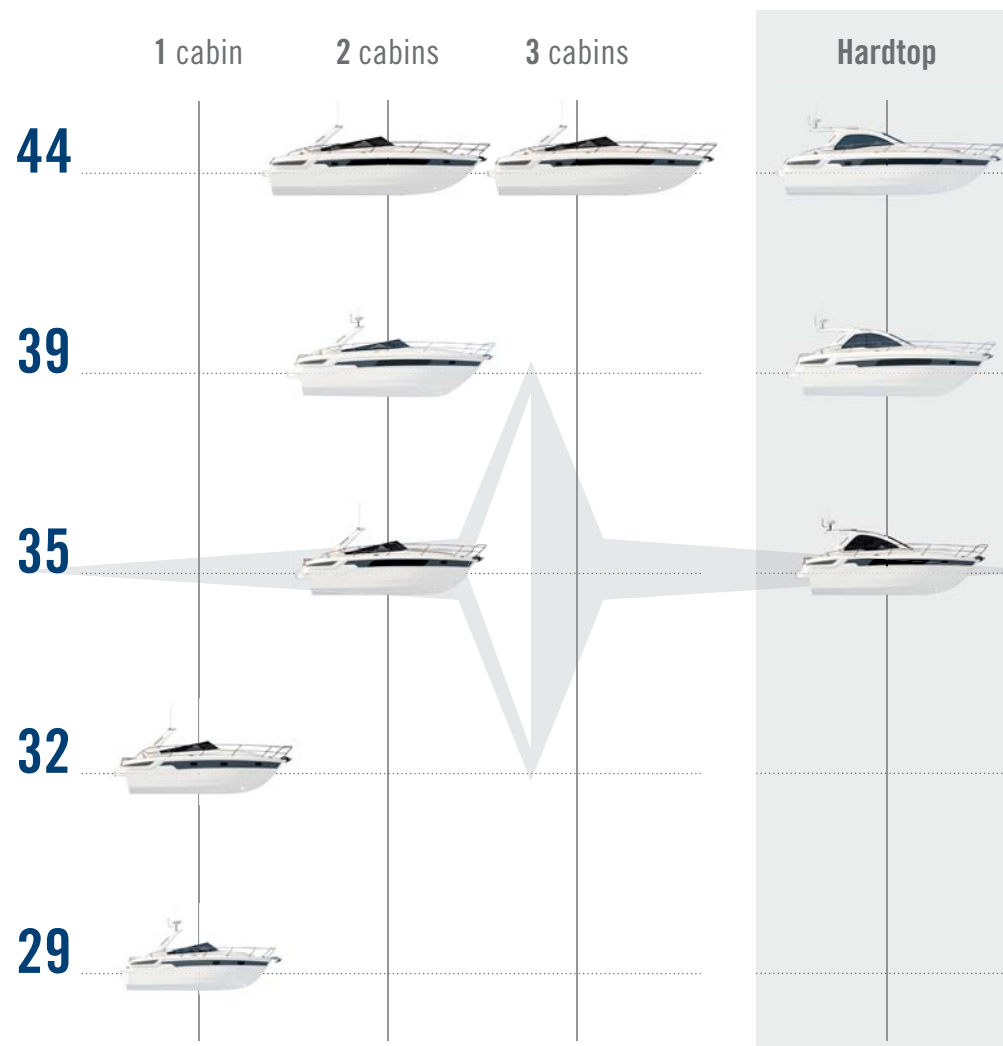

BAVARIA is one of the most successful yacht builders in the world. We painstakingly follow customer requests in developing trendsetting sail and motor yachts which combine performance, comfort and outstanding value. Our entire work is based on many years of experience, the professional excellence of our staff and one of the most modern production facilities in the world. With our global distribution network we ensure on-site delivery and service.

SPORT LINE

Sport and style

A luxurious life on the water exerts a very special fascination. This becomes palpable aboard the BAVARIA SPORT line – whether in a cosy bay or a sprint on the high seas. The SPORT line represents a stunningly successful combination of timeless design, supreme comfort and sportive performance. A modern yacht line for all those who have subscribed to the maritime lifestyle.

SPORT 44

The new dimension

Head for the sun and the open sea aboard the sporting yet luxurious SPORT 44. The abundant deck has been designed to comfortably accommodate a co-pilot seat bench, lounge, bench seat around the cockpit table and a generous reclining area at the stern. Plenty of room to enjoy the finer things in life.

44 | Pure luxury

As one of just a few 44-foot yachts, the SPORT 44 is available with three cabins. The headroom of up to 2.10 m and numerous deck hatches and hull windows create a welcoming ambiance. An optional air-conditioning system is also available for the cabins.
