LA MASERATI

Almost a hundred years since it was founded, Maserati is still staying true to its values by continuing to build cars where outstanding sporting performance is always combined with exclusive quality, comfort, luxurious interiors and elegant lines. Its racing pedigree is engrained in its roots, when the Maserati brothers created some of the most successful, sought-after competition cars. At the same time, the famed Maserati luxury derives from the perfect combination of Italian craftsmanship and style.

## A RACING LEGEND

Every Maserati is like a work of art constructed with the care and attention that only the human hand can provide, but it's also the outcome of high-tech production processes. It is in this particular context, the result of a complete harmony between the purest of Italian craft traditions and the most advanced technologies, that cars which guarantee unique emotions are produced. Emphasising its continuous research into new quality and safety standards, Maserati, since 2013, has flanked its historic Modena plants with the innovative Officine Maserati Grugliasco production site close to Turin.

**THE ONGOING QUEST FOR INNOVATION  
ROOTED IN A GREAT TRADITION**

The Maserati Ghibli is a unique combination of style, performance, sports handling and comfort that is designed to make inspirational motoring an everyday experience. A unique saloon that stands out from the crowd, the Ghibli's graceful lines and perfect proportions make an immediate statement of style, sophistication and power. The innovative sporty V6 engines with their unmistakable sound, including the first diesel engine in Maserati's history, are combined with refined technological solutions and high quality materials that are used for the spacious and comfortable interior.

**MASERATI GHIBLI.  
EVERYDAY ENJOYMENT**

Since 1963 the Quattroporte has been a byword for the high-performance luxury saloon, delivering a perfect balance between the elegance of a limousine and the sporty nature of a GT car. The timeless silhouette, reinterpreted with a modern twist, encloses a roomy, luxurious and comfortable interior where the Poltrona Frau® leather and choice materials are shaped around clean, minimalist lines. New generation Twin Turbo engines give the vehicle its sporty edge: a 3-litre V6 engine producing 410 CV and the inspiring 530 CV 3.8-litre V8. Light and powerful engines that guarantee maximum driving pleasure.

**MASERATI QUATTROPORTE.  
A TRIUMPH OF ELEGANCE, TECHNOLOGY AND POWER**

The sleek lines of the GranCabrio MC are the product of Maserati Corse's racetrack experience: the numerous technical refinements dictated by aerodynamics make it extremely aggressive, without however detracting from the harmonious lines that are a trademark of Maserati. This unique car, with its sporting exterior, offers the ultimate sensory experience: the 4.7 litre V8 engine, capable of generating a massive 460 CV, expresses its racing soul with an inspiring roar. Inside, its sporty feel is accentuated by materials such as Alcantara® and carbon fibre, modelled with the emphasis on ergonomics, to make open-air driving an even more thrilling experience.

**MASERATI GRANCABRIO MC.  
THE NEXT LEVEL OF EXPERIENCE**

The GranCabrio Sport is a car that will expand your horizons, taking the thrill and inspiration of driving to new levels. Perfect for lovers of sports-car handling and those seeking to experience the thrill of wind-in-your-hair driving. The exclusive Rosso Trionfale colour underlines its aggressive look, which is emphasised by the 20-inch “Astro Design” wheels and the many other distinctive details. Inside, the new sporty seats with integrated headrests, the fine finishes and the carbon fibre trims give the car a modern, high-tech feel. The 460 CV (338 kW) 4.7 litre V8 engine, highly responsive to every touch of the accelerator, is a guarantee of pure dynamism, adrenaline and driving pleasure.

**MASERATI GRANCABRIO SPORT.  
ELEVATE THE EXPERIENCE**

The first Maserati convertible to seat four in comfort, the GranCabrio owes its stunning line to Pininfarina. Beautiful and elegant, its spacious interior offers high levels of comfort to all passengers. The interiors, finished with meticulous care, combine Poltrona Frau® leather, wood and choice materials to guarantee luxury and comfort. The car's sporty personality is ensured by its engine, an impressively smooth yet immensely powerful 450 CV (331 kW) 4.7 litre V8. The ride comfort is unbelievable, while safety is constantly being reviewed by the MSP stability control.

## **MASERATI GRANCABRIO. OPEN-AIR EMOTIONS**

The GranTurismo MC Stradale was created to transfer the invaluable race track expertise of Maserati Corse to the road. The design of the exterior is the ideal synthesis of aerodynamics and style: the long carbon fibre bonnet stands proud with its aggressive central air intake and two side air vents, solutions derived from the GranTurismo MC Trofeo. The levels of comfort and space are extraordinary for a car whose origins stem from the race-track, this thanks to the new four-seater interior with wraparound sports seats. At its heart sits the 460 CV 4.7 litre V8, which coupled with the powerful carbon-ceramic brakes and exclusive Race mode (for gearshifts in just 60 milliseconds) is guaranteed to stir the emotions.

**MASERATI GRANTURISMO MC STRADALE.  
SHARE THE THRILL**

Available in two versions with automatic or robotised manual gearbox, the GranTurismo Sport is a car of extraordinary character, designed to satisfy the most demanding and enthusiastic of clientele. The athletic exterior is matched by the interior where the use of fine materials and attention to detail is supplemented by state-of-art ergonomics. The Sport Skyhook suspension, the dual-cast discs for the brakes and the balanced weight distribution ensure optimum 'feel' at the wheel and make it possible to take full advantage of the 460 CV provided by the refined 4.7-litre V8 engine.

**MASERATI GRANTURISMO SPORT.  
OPPOSITES ATTRACT**

The Maserati GranTurismo is a two-door, four-seater coupe designed by Pininfarina: its lines express its exuberant power and sporty personality from every angle, from the large oval mouth around the radiator grille through to the rear. The interiors provide comfortable seats for four people, choice materials and the luxury of leather produced by Poltrona Frau®. With a roomy, versatile boot it offers its four occupants the thrills of sports car motoring in the greatest of comfort. Powered by the impressive 405 CV (298 kW) 4.2 litre V8 engine, it gives the driver the sensation of total safety and unrivalled control in all driving conditions.

**MASERATI GRANTURISMO.
