SELECTED

CATERHAM SELECTED

THE VERY BEST PRE-OWNED

In his wildest dreams, Colin Chapman would not have believed his lightweight sports car would still be a benchmark for performance and handling half a century after it was conceived. Or that it would be sold in 30 countries across the globe and provide unrivalled opportunities in motorsport. Today, the Caterham Seven has achieved all of this and more.

It may be over 50 years old in spirit, but the Seven will always be an engineering project in progress. Consequently, we do not stand still; it's not in our nature, nor that of the car. The history of the Seven reads as an annual catalogue of technical development, innovation and functional design, and this is not set to change any time soon; we will stretch the envelope even further. There is so much we want to do, limited only by the number of hours in the day (if the passion and commitment of our staff is anything to go by).

That technical knowledge and passion built up over the years is truly unique to Caterham staff and it is this that enables us to choose and supply only the very best Pre-Owned Caterhams on the market for sale.

We are proud of our Caterham technicians; nobody knows or loves a Caterham like them. The very nature of the product with all of its performance virtues means that our customers need to have nothing but absolute confidence in their purchase of a Pre-Owned Caterham Seven and the Caterham Selected programme provides this confidence.

CATERHAM SELECTED

*MOT to be conducted at Caterham South or Midlands dealership

CATERHAM SELECTED

WHAT'S INCLUDED

81 POINT INSPECTION

Caterham Selected consists of an 81 point inspection as defined by Caterham's own engineering team and a factory supported warranty. Each car is thoroughly inspected against rigorous mechanical and bodywork standards as part of the meticulous inspection that every Seven must pass to meet our exacting standards. You can be certain that a Caterham Selected Seven has undergone a service and preparation second to none. We will of course only ever use 100% genuine Caterham parts.

12 MONTH WARRANTY AND MOT FOR THE LIFE OF OWNERSHIP

Such is our confidence that each car will receive a 12 months parts and labour factory warranty, and, as we love every Seven so dearly, we want to see it back every year for a free MOT* for the life of your ownership of the car. In addition you can have the reassurance of 12 months cover provided by the AA, in the unlikely event of a mechanical fault.

BOOKATRACK VOUCHER

As if this is not enough to assure you that purchasing a Pre-Owned Seven through Caterham Selected is the conscientious choice, we have also teamed up with our friends at Bookatrack.com, one of the UK's most respected trackday organisers, to be able to include a voucher towards any Bookatrack.com trackday.

SEVEN OWNERS' CLUB MEMBERSHIP

Finally, as we enjoy very close links to the Seven Owners' Club and we believe that membership of the Club only adds to your ownership experience, we will also include one year's membership free; allowing you to enjoy all of the benefits of Club membership.

There is no better prepared Seven and peace of mind available when purchasing a Pre-Owned Seven through the Caterham Selected programme.

*MOT to be conducted at Caterham South or Midlands dealership

CATERHAM SELECTED

USED CAR PROGRAMME

- 12 months or 6,000 miles warranty
- 12 months AA Breakdown cover
- Independent vehicle history and mileage checks
- Free MOT's* for the duration of ownership

PREPARATION

- Multi point check carried out by our Caterham factory trained technicians
- All faults rectified using Caterham approved parts
- Paintwork and trim restored to suit the age and mileage of the vehicle
- Only 100% genuine Caterham parts used in any remedial work

CATERHAM ASSISTANCE BREAKDOWN COVER

ROADSIDE ASSISTANCE

- 24/7 breakdown cover

HOME START

- Cover within 1/4 mile from home

NATIONWIDE RECOVERY

- Transport to any single UK destination

Enjoy 12 months of Caterham Assistance cover, protecting you in the unlikely event of a breakdown whether you're at home or anywhere in the UK. If it is not possible to solve a problem at the roadside, your Caterham will be recovered to an authorised repairer or another location of your choice. Fulfilled by the AA, you can rest assured that you and your Caterham Seven will be taken care of by the UK's largest fleet of dedicated patrol vehicles.

*MOT to be conducted at Caterham South or Midlands dealership

CATERHAM SELECTED

WHAT IS COVERED?

Any electrical or mechanical failure of a factory-fitted component is covered within the Caterham Selected programme. You can rest assured that all labour and parts bills which occur due to a manufacturing defect, or due to an unexpected failure, are included within the Selected warranty cover; however as you would expect there are the following exceptions:

- Routine servicing (which must be maintained as per the owners handbook)
- Bulbs, including fuses
- Brake friction material
- Clutch friction material
- CV boot gaiters
- Exhaust systems (catalytic converters are covered for internal failure)
- Upholstery, interior and exterior trims
- Non-Manufacturer's Original Parts
- Tyres and wheels

In addition to the list above, the warranty does not include a Seven used for, racing, trials, rallies, competitive events or for

any purpose other than genuine private use as a Caterham motor car. However, within these categories of exclusions, it is at the sole discretion of Caterham to make a contribution in part or in full towards parts and labour of a warranty claim presented to your selling dealer should mitigating circumstances be presented.

WARRANTY

The Caterham Selected Warranty cover has been designed to help protect **you** against the costs incurred in the event of a sudden **electrical or mechanical failure**. **You** are protected through the programme for the costs of repairing or replacing the covered components that have suffered a sudden **electrical or mechanical failure** occurring within the **area of cover** during the **period of cover**.

The Caterham Seven is recognised as the benchmark for enjoyment when it comes to circuit driving and Caterham accepts that owners may, indeed Caterham encourages owners to, take their Sevens on to race circuits for the purpose of a 'trackday' (defined

as a non-competitive, untimed leisure driving activity organised by a professional body associated to the ATDO (Association of Trackday Organisers)). One mile of track driving is approximately the equivalent of ten miles of road driving and owners should be mindful of this fact when considering the servicing requirements for their Seven. It is not unusual to cover 100-200 miles on a trackday. Caterham will inspect any vehicle presented for a Warranty claim for evidence of trackday use. Use of a vehicle on a trackday shall not automatically void a Warranty claim, but Caterham reserves the right to reject a Warranty claim for any vehicle or component that appears to have been subject to premature or circuit induced wear (such as vibration in electrical components) when in its reasonable opinion it considers the wear to be attributed predominantly to trackday use.

CATERHAM SELECTED

CATERHAM ASSISTANCE

HOW TO MAKE A WARRANTY CLAIM

Simply contact your selling dealer and advise them that you have a Caterham Selected Warranty. From here our Caterham Service team will book your Seven into either our South or Midlands workshop and arrange with you to have your vehicle recovered by the Caterham breakdown assistance, should your covered vehicle not be drivable.

It is your responsibility to authorise any dismantling of the covered vehicle or any other work required to diagnose any faults with the covered vehicle. Caterham Cars will pay for any diagnostic costs for a valid claim toward a defective component under the warranty. Should any diagnoses confirm the claim is not covered within the terms and conditions of the warranty, any diagnostic costs and resulting work will be chargeable.

This warranty cover will be invalidated if during the Term:

The Vehicle is serviced or repaired by anyone other than a Caterham Cars authorised dealer or if not maintained in accordance with the owners' handbook using genuine Caterham Cars parts or parts of at least the same specification.

A claim is made on a fraudulent basis.

The vehicle has been used for racing, rallying or other competition purposes.

DEFINITIONS

Area of cover

Means UK

UK

Means England, Scotland, Wales, Northern Ireland, the Channel Islands and the Isle of Man.

Period of cover

Means the period shown in your Warranty Certificate.
